2019-2020

Dear Parents:

On behalf of the Parents' Morning Out staff, PreSchool teachers and ministerial staff of Centerville Baptist Church, I welcome your interest in our weekday preschool program. We strive to provide a quality early childhood program in a happy, warm and nurturing Christian environment that encourages growth and discovery.

Parents' Morning Out, "PMO," is a reservation based program. A limited number of children are registered each day. Parents/guardians are responsible for making reservations for daily attendance. We cannot guarantee daily availability without a reservation.

Our Parents' Morning Out classes are focused primarily on socialization for very young children. While our teachers plan activities throughout the day, "PMO" is not an academically focused environment. Children are given opportunities to learn through play experiences. Oral language development is central to the PMO day. Stories, songs, finger-plays, art activities, free-play in the classrooms, playground or gym are everyday experiences.

Together, we will make this year one of joy and discovery. The administrative guidelines and parent information is included in this informational package. Please take time to read the policies we have established to provide a safe and happy environment for your child.

Parents will be required to submit a new and update immunization record every six (6) months for children under the age of 36 months old, as required by the Code of Virginia. The entire enrollment package and required documents must be submitted and approved prior to the first day of participation.

If your child requires medication that needs to be administered during the school hours, you must submit our form to the child's physician for authorization. MAT (Medication Administration Training) certified teachers will administer the required medications.

I look forward to hearing from you soon.

Sincerely,

Cathy Curling

Enrollment Checklist

Please make an appointment with the Administrative Assistant to complete the enrollment process

Please keep all enrollment documents together; return all documents at appointment

Date:

_____ Time: _____

- I have access to the Parent Handbook online from the PreSchool website
- OR
- I have received a hard copy of the Parent Handbook
- MAT Statement and Acknowledgment: Virginia Department of Social Services requires parents to sign and return the Medication Administration Training statement.
- I have received a copy of the Public Disclosure Statement
- I have received a copy of the Healthy Snack Policy
- My child has a medical condition requiring administration of medication during the school hours.
 - Prescription medication information signed by physician
 - Inhaler/EpiPen, etc. in original prescription container
- Enrollment forms and Documents
 - Application
 - Policies for Participation
 - Notarized Statement
 - Activity Consent
 - Allergy form
 - Contact Information Release
 - Parent Participation form
 - Photography Release
- School Physical Report from Physician
- Health Insurance card
- Birth Certificate or Passport
- Immunizations
- Children under the age of 36 months must submit new immunization form every 6 months from child's DOB until 3rd birthday
- Entry access fobs will be issued beginning mid-August. Each family will be issued one (1) fob. Fobs must be returned at the end of the school year. Additional fobs are available for \$10.00 each.

Staff

Teachers and assistants have been certified by a practicing physician, to be free of any disabilities which would prohibit supervision of children entrusted into our care, as required by the Code of Virginia. All of our staff members have received a fingerprint-based Criminal History Records Clearance as well as a Search of the Central Registry from Child Protective Services prior to employment. Staff members participate in workshops throughout the school year to update skills and review requirements of the Commonwealth of Virginia.

All of our teachers are trained and certified in First Aid and CPR. Some teachers are certified in Medication Administration (MAT).

Student: Adult Ratios

Age-based classes have a limited number of students per classroom. The National Association for the Education of Young Children, NAEYC, recommends the following ratios:

6 weeks to 2 years old	4 students	1 adult
2—5 Mixed Age Class	10 students	1 adult

Hours of Operation

PMO operates between the hours of 9:00 a.m. and 1:00 p.m. PMO parents/transportation providers must park in the parking lot; drop-off from the car pool lane is not permitted.

Children must be escorted into the building by an adult, and registered on the daily attendance log in the classroom. At the conclusion of the day, all PMO students must pick-up the child from the classroom.

We understand that traffic tie-ups occur and that you may be late, occasionally. Please strive to be here between 12:45 and 1:00 p.m. ***Pick-up after 1:00 p.m. is subject to a late charge. Late charges are due at pick-up time.***

PMO is open five days per week from September through May. Parents may utilize the program based on availability. During the summer months, June through August, the program operates selected weeks, 3 days per week, Tuesday, Wednesday and Thursday. Dates will be published on the website, enrollment brochures and posted in the reservation books. PMO is closed for all public school holidays and weather related closures. You may check the school website calendar for all scheduled school closures.

Participation Requirements

Reservations

PMO is a reservation based program. Parents should make reservations in person. Parents are responsible for recording routine daily/weekly reservations in the book. The reservations books are located outside of the classroom. There are separate books for the infant room and preschool room. You may make your reservations several weeks in advance.

If you make a reservation, fail to attend for the day, fail to notify us that your child is ill by 9:30 a.m. on the day of scheduled attendance, or do not telephone to cancel 24 hours in advance, you will be charged the daily fee.

We cannot admit any unregistered child for the day, if our class registration is full, based on ratios and total classroom occupancy. However, if there are openings available in the classroom, we will accept same day reservations.

Health Screening/School Physical

Parents/guardians of children entering the program are required to submit a school physical report. This will include a record of the child's immunization history. School physical report forms are included in your enrollment package. *Children under the age of 36 months must have a new immunization record every 6 months as required by the Code of Virginia.

An Allergy Disclosure form is also included in your package. Please complete and return the form, *even if your child does not display any signs or symptoms of allergies.*

Proof of Identity/Proof of Date of Birth

The Commonwealth of Virginia's Code of Virginia requires parents/guardians to present proof of the applicant's date of birth. We are required to view and record information from the child's certified birth certificate, Social Security card or passport. Failure to provide the documentation later than the first full week of attendance must be reported to the local law enforcement agency.

Legal Authorization

To protect the welfare, health and safety of the students, staff, church and parent volunteers, CBC requires notarized legal authorization for the transport of a child. This authorization includes transportation by emergency medical personnel, pre-school and church staff.

Transportation Providers

Parents/guardians are required to register the names of emergency contacts as well as individuals authorized to transport children. This information is to be included on your registration form.

Ages and Cost Schedule *Effective July 2019 through August 2020*

Registration fees: 6 weeks to 24 months @ \$50.00 annually 2—5 years old @ \$50.00 annually

Facilities Fee: \$50.00 annually Ages 6 weeks through 5 years old

6 weeks to 24 months: \$38.00 daily 2-3 years of age: \$35.00 daily 3-5 years of age: \$32.00 daily

Toddlers *may* remain in the same class for the school term, September through May.

Tree Nut/Peanut Free Classrooms

Children and adults with food allergies risk a variety of symptoms, ranging from rashes to gastrointestinal distress to anaphylactic shock which can result in death, when exposed to foods to which they are allergic. Please consult the "Allergy Alert" poster in the classroom for items that should be excluded from the classroom. For example: children with severe Tree Nut/PEANUT allergies risk death when exposed to the oils in peanut butter. With PEANUT allergies, even the smell can trigger allergic reactions. Therefore, Centerville Baptist PreSchool programs are totally tree-nut/PEANUT-FREE zones. Please allow your child to enjoy his/her tree nuts/peanut butter and peanut products and/or by-products at home.

Illness

The Department of Social Services of the Commonwealth of Virginia regulates child care centers and preschool across the state. The department legislates many facets of our operations, including health and safety regulations.

The health and safety of every child is our first priority. In an effort to protect children and staff members from illness or disease, our staff members observe each child as they enter the classroom. They have been instructed to make inquiries regarding any signs or symptoms of illness or contagious disease.

By law, and in accordance with the Department of Social Services, children exhibiting signs of illness *MUST* be excluded from the program. Children displaying symptoms such as, running nose, diarrhea (even related to foods, allergies or medications), productive coughs, fever over 100° etc., are not eligible to attend until ALL symptoms have been cleared for at least 24 hours.

Parents will be called to pick-up any child developing any symptom of illness during the day. Children need to be removed from the classroom as soon as symptoms are detected. Therefore, it is necessary for parents to leave a telephone number of an individual who can retrieve the child within 30 minutes.

Therefore, parents/care takers must cancel any future reservations during the time of illness or daily charges are applied to the account.

Topical Medications

According to the regulations we receive from DSS, we have instituted a policy regarding topical “medications.” Due to possible allergic reactions, if your child requires sunscreen, insect repellent, ointment for diaper rash, etc., you are required to furnish the “medications.” Additionally, you need to sign a release for “The Administration of Medication.”

Staff Illness

The regulations pertaining to illnesses for children apply to our staff as well. Occasionally staff members cannot report to work due to illness. On these occasions, we generally call a substitute teacher to work. However, there have been times, especially due to flu season, when substitute teachers are not available. When this occurs, we reserve the option to call you and cancel for the day. We realize that this can be inconvenient, however unavoidable. We will make every effort to contact each parent with a reservation for the day and ask if it is possible to reschedule. We will try to accommodate parents with scheduled appointments first, and ask that if you can possibly rearrange your schedule, that you do so.

To demonstrate our appreciation for your understanding when this occurs, we will offer the parents that can reschedule without a great hardship, one day at NO CHARGE.

Natural Body Rhythms

All children experience natural body rhythms. When a child needs to use the restroom, or have a diaper changed, the child will be given the assistance he/she needs. When a child is hungry, he/she will be fed. When a child is thirsty, he/she will be given a drink of water. When a child is sleepy, he/she will be allowed to sleep.

These rules may seem simplistic, but regulations require preschools and child care centers to honor a child’s natural body rhythm.

A Final Word

Our staff members strive to care for all of the children in their care with their utmost attention. A sick, tired or unhappy child creates a strain in the classroom, as the teacher must try to provide extra attention to one child while maintaining a standard of care for the other children. We ask for your full cooperation and understanding as we strive to offer our best for your children.

Classroom Supplies

- 2 bottles Clorox Anywhere Spray
- 1 80-count Lysol/Clorox disinfecting wipes
- 2 boxes 100-count vinyl exam gloves
- 2 rolls paper towels
- 1 200-count diaper disposal bags

Daily Supplies

- diapers, pull-ups as needed
- Complete change of clothes
- Mid-morning snack & drink
- Lunch with drinks

Activity Consent

I/we acknowledge that risks of accidental injury are incidental to the conduct of normal classroom participation, playground activities, activities in the gym, and elective extra-curricular activities. Scooters used in the gym are size and age appropriate. Gym and playground equipment pose apparent hazards. Scooters, slides, climbers, etc., present opportunities for injury. I/we understand that teachers/ staff members cannot prevent accidents that may occur as a result of normal playground activities. I/we understand that we will be informed of incidents, accidents and injuries that occur under their care. I/we understand that teachers will respond to injuries with appropriate First Aid, including emergency medical intervention if required. _____ (Initial)

Likewise, teachers will respond to misbehavior or inappropriate playground activities immediately and reserve the option to disallow a child's access to playground equipment as a result of misbehavior. _____(Initial)

In the Parent Handbook, under the heading "Dress Code," our policy states "Each child is expected to wear appropriate protective clothing, adequate for the weather and season. Shoes AND socks are REQUIRED. Sandals, "Crocs," flip, flops, etc., are inappropriate for children's school wear. Shoes should have closed toes and heels and should fit the child properly."

I/we understand the Pre-School policy regarding "acceptable" shoes and socks and understand the Pre-School administration's concerns that inappropriate shoes may contribute to playground injuries. _____ (Initial)

I/we assume all risks and hazards incidental to the conduct of events, activities and normal classroom participation. _____ (Initials)

I/we acknowledge that art related activities are often messy and that clothing may become stained. _____ (Initials)
